[www.sociocracyforall.org/communities-of-practice](http://www.sociocracyforall.org/communities-of-practice)

Sociocracy for All Communities of Practice are peer support circles that offer members an opportunity to network and share resources, wisdom, and challenges with other sociocratic organization learners within their sector or interest group.

**Communities of Practice**

# SoFA Online Forums

<https://forums.sociocracyforall.org/>

Connect with sociocratic organizations and other like-minded people implementing, and practicing sociocracy across the world.

"Ask a Consultant" area of the forum is a space to ask your sociocracy-related questions to practicing and knowledgeable consultants and get responses in real time.

# SoFA's sociocratic organization map

In 2020, Sociocracy for All launched the beginning of an interactive digital map that features SoFA members, plus organizations that use sociocracy to any degree. The map is updated every two weeks and currently reflects members and sociocratic organizations spanning 5 continents.

# Conferences

Organizational learners receive 25% off of conference tickets.

SoFA Global Conference: May, 4th  
and 5th
