Donnerstag 24. März: Müllsammelaktion
Freitag 08. April: Planung Ostereieraktion
Donnerstag 28. April: Ostereiersuche "Spielplatz Am Bogen"

Elements of sociocracy are practised

Sociocratic principles like talking in rounds, opening and closing rounds and consent-decisions are practiced at every meeting.

Conference with Joseph Rathinam, 11.08.2022 in Augsburg with City Administration & neighbors Am Bogen Public Presentation of „Power to the Children“

Sociocracy as tool to empower the multicultural neighborhood Am Bogen”

The sociocratic structure helps to develop trust,
equality,
participation and
sustainable community work
with the talents and skills of many
neighbors.

Support of the neighborhood circle Am Bogen by the City of Augsburg

The administration of the City of Augsburg supports the neighborhood circle in many ways.

- room for meetings (district manager)
- financial resources
- participation in the recreation of the little park (choices of plants, choices of how to renew the playground, using a composter on the public ground,)

Renovation of playground & green area: August to November 2022

- Composter – built by the neighbors finds a place to stay
- Neighbors can choose plants for the renovation of the green area
- Neighbors plant more than 200 flowers bulbs given by the City of Augsburg

The lively neighborhood Am Bogen

Model for participation and empowerment with the help of sociocracy in cooperation with the City Administration and quarter development

The pilot project serves with its many experiences as a model for lively, sustainable neighborhood circles.

More circles like this would be a great help in bottom up, self-organized community work and quarter development.

District management and cooperation with the city administrations (using elements of sociocracy) are important elements to support neighborhood and politics from below in Augsburg and any other place.

Welcome to our lively neighborhood Am Bogen

We invite you all to celebrate with us the official opening of the renovated playground Am Bogen!
